ADMIRAL STANSFIELD TURNER

17 May 1978

Dear John,

Pat and I want to say thanks for your and Thelma's gracious hospitality during the Business Council meeting. Most of all we enjoyed the treat of getting to visit with you both, and we do appreciate all of your interest in our activities there.

By and far this was the most enjoyable Council meeting I have had the privilege of attending. Perhaps it is because it is the only one I've been able to attend from beginning to end. I will screw up my determination to get away from the office for the full schedule in the future.

Pat and I are also very grateful to you for the use of one of your station wagons which we used to drive back to Washington in the midst of the rain and fog on Saturday afternoon. It was a big help.

I do hope you will let me know, as you mentioned, when you can take an hour off to come out to the CIA during one of your trips to Washington. I'd really enjoy getting just a few of us together to compare notes.

Again, many thanks to you and to Thelma from both of us.

Yours,

STANSFIELD TURNER
